

The 2008 SePRO Plant Growth Regulator Early Order Program

Pre-season Savings Now Available!

From Start to Finish.

Whether you are a plug producer or a grower specializing in turning out the finest finished plant material, you will soon be selecting your Plant Growth Regulator of choice for your fall crops. SePRO Corporation, the makers of A-Rest* and Topflor* have you covered from start to finish.

Crops like pansies, petunias, snapdragons, chrysanthemums and poinsettias are all plants that benefit greatly from applications of either A-Rest or Topflor Plant Growth Regulators and there is no better time than now to make your purchase!

A-Rest Plant Growth Regulator

- A-Rest offers over 20 years of unsurpassed performance on plugs and young plants
- A-Rest provides the perfect level of regulation for sensitive crops like pansies
- A-Rest allows for excellent garden performance, which is great for the retail setting

Topflor Ornamental Plant Growth Regulator

- Topflor has proven to enhance flower quality
- Topflor offers growers the perfect level of activity on even the most vigorous crops
- Topflor's activity as a soil drench is unsurpassed
