

Florida Market Bulletin – Classified Ads – January 2009

AGRICULTURAL MACHINERY

Ads for machinery and equipment manufactured specifically for agricultural purposes are eligible for publication. Ads for jeeps, trucks, ATVs or automotive equipment will not be accepted. Agricultural machinery, with the exception of rototillers, must be at least 7.5 horsepower. Push-type lawnmowers are not eligible. Listings for sale must be accompanied by the following owner-signed statement: "This machinery has been used by me in an agricultural endeavor and is not offered for sale by an equipment dealer or commercial enterprise."

BEES AND EQUIP

State law requires that all beekeepers be registered with the Florida Department of Agriculture and Consumer Services. To register, contact the Bureau of Apiary Inspection, Division of Plant Industry, PO Box 147100, Gainesville, FL 32614, telephone (352) 372-3505. Beekeepers offering bees for sale must submit their registration number with their ad. However, beekeeping equipment that does not contain bees can be advertised without a registration number.

CATTLE

The cattle owner's name must appear in "Cattle for Sale" listings. Cattle moving within the state to farms and markets or changing ownership no longer require a brucellosis test. However, the Florida Department of Agriculture and Consumer Services strongly recommends that all new herd additions be tested as a "best management practice" for animal health.

FOR SALE

POULTRY, FOWL, EGGS

Listings for domestic birds and birds used for food are acceptable. The selling and purchasing of game birds (quail, pheasants, etc.) require a permit from the Florida Fish and Wildlife Conservation Commission, Farris Bryant Building, 620 Meridian Street, Tallahassee, FL 32399, telephone (850) 488-6253. Domestic poultry being sold out of state must be enrolled in the National Poultry Improvement Plan (NPIP), and all shipments must be accompanied by a VS 9-3 form, a report of sales of hatching eggs, chicks and poultry. For information about becoming an NPIP participant, call (850) 251-1226 or visit www.aphis.usda.gov/vs/npip. Ads for all migratory birds offered for sale must include a state game farm license number and a federal fish and wildlife permit number. For state license information, contact the Florida Fish and Wildlife Conservation Commission, Farris Bryant Building, 620 South Meridian Street, Tallahassee, FL 32399, telephone (850) 488-3641. For federal permit information, contact the U.S. Fish and Wildlife Service, 75 Spring Street S.W., Atlanta, GA 30303, telephone (404) 679-7070. It is the seller's and purchaser's responsibility to have all required licenses and permits. No ads will be accepted for fighting birds of any type; pet birds, such as canaries and finches; or hawkbill birds, such as parrots and macaws.

SEEDS, PLANTS, TREES

This category includes both ornamental and agricultural varieties, and applies to aquatic plants. It is a violation of Florida law to offer plant material for sale which has not been inspected for insects and diseases. For inspection information, contact the Division of Plant Industry, P.O. Box 147100, Gainesville, FL 32614, telephone (352) 372-3505. Ads for nursery stock (plants, trees, shrubs, vines, bulbs, cuttings, grafts, scions or buds) must be accompanied by a copy of the seller's certificate of registration with the Division of Plant Industry, in accordance with Ch. 581.131, Florida Statutes, effective July 1, 1995. (Exempted from this requirement are aquatic plants, seeds, lawn and pasture grasses, cut flowers, cut fern and cut foliage.) Ads for both plant material and seeds must be accompanied by the following signed statement: "These items are personally grown on my land and have not been purchased for resale." Ads for plants that have been deemed noxious or invasive by the State of Florida will not be accepted.

STOCK DOGS

Advertisement in this category is limited to bred, trained farm stock dogs and the puppies of bred, trained stock dogs; no ads for companion pets or hunting dogs will be accepted. Chapter 828.29, F.S., requires that all dogs sold or offered for sale be at least eight weeks of age and have an Official Certificate of Veterinary Inspection, a.k.a. a health certificate. The certificate must be issued by a Florida-licensed veterinarian no more than 30 days before the sale. The following vaccines and anthelmintics (wormers) must be administered by or under the direction of the licensed veterinarian who signs the certificate: canine distemper, leptospirosis, parainfluenza, hepatitis, canine parvo, and bordetella. A rabies vaccination is required for dogs over three months old. Ads for dogs must be accompanied by the following owner-signed statement: "I certify that these animals have been bred and trained for farm work. Each dog is of legal age for sale and has an Official Certificate of Veterinary Inspection."

SWINE

All swine (including potbellied pigs) sold or offered for sale or exhibition, except for slaughter, must have evidence of a negative brucellosis test and a negative pseudorabies serologic test which has been conducted within the previous 30 days, unless proof of exemption can be demonstrated. Swine other than feral (wild) swine may move from farm to farm, to markets or change ownership without restrictions. Feral swine may only be moved to locations approved by the Florida Department of Agriculture and Consumer Services. Persons transporting feral swine must be registered with the Department and be in possession of a valid identification card while transporting the swine. Feral Swine Trapper Identification cards can be obtained by contacting the Division of Animal Industry, telephone: (850) 410-0900.
