The International Business Conference  
and Exposition/Trade Show

July 16-19, 1998

For CD ROM see:

## Acknowledgments

Leadership for this conference was provided by **Dr. George S. Libey**, Associate Professor, Department of Fisheries and Wildlife Sciences, Virginia Polytechnic Institute and State University.

The planning committee would like to thank the authors for their diligence in submitting their papers early enough so that these proceedings could be distributed at the conference. Speakers were selected based on their experience and practical knowledge in commercial-scale recirculating aquaculture.

Special thanks are extended to **Ms. Terry Rakestraw** for her dedicated effort in preparing the conference proceedings. Without her assistance, this publication would not have been possible. The Planning Committee is appreciative of the contributions made by **Mr. Geoffrey Knobl** for his assistance in the development of this publication.

Finally, the Planning Committee expresses their thanks for the firms that provided financial support of the program and those that participated in the trade show. Without their participation, this program would not have been possible.

The conference was sponsored by Virginia Tech's Commercial Fish and Shellfish Technologies Program and Division of Continuing Education; the Virginia Sea Grant College Program; the U.S. Department of Agriculture; the American Fisheries Society, Virginia Tech Chapter; the Aquacultural Engineering Society; the Freshwater Institute; the Aquaculture in the Mid-Atlantic, and the Virginia Cooperative Extension.

## Planning Committee

**Dr. George S. Libey**, Associate Professor, Department of Fisheries and Wildlife Sciences, Virginia Polytechnic Institute and State University

**Dr. Michael B. Timmons**, Professor, Department of Agricultural and Biological Engineering, Cornell University, and Member—Board of Directors, Aquacultural Engineering Society

**Dr. George J. Flick**, University Distinguished Professor, Department of Food Science and Technology, Virginia Polytechnic Institute and State University

**Dr. Stephen A. Smith**, Assistant Professor, Department of Biomedical Sciences and Pathobiology, Virginia Polytechnic Institute and State University

**Dr. Stephen T. Summerfelt**, Research Engineer, The Conservation Fund's Freshwater Institute, Shepherdstown, West Virginia

**Dr. Thomas Losordo**, Associate Professor, Department of Zoology, North Carolina State University, Raleigh, North Carolina

## Conference Financial Sponsors

- Southern States Cooperative
- Perdue Specialty Feeds
- Keeton Industries, Inc
- Water Management Technologies
- Aqua Ultraviolet
- Upscale Water Technologies
