

# Save Energy Now

Industrial Technologies Program

[www.eere.energy.gov/industry/saveenergynow](http://www.eere.energy.gov/industry/saveenergynow)

## The U.S. Department of Energy invites you to attend free Webcasts on Thursdays from 1:00 pm - 2:00 pm EST

The Industrial Technologies Program offers a variety of Webcasts on industrial energy efficiency, the latest tools and technologies, and Save Energy Now assessment opportunities.

- *January 8, 2009:* Combined Heat and Power Regional Assessment Centers
- *January 15, 2009:* Introduction to the Industrial Technologies Program
- *January 22, 2009:* Energy Management Programs
- *January 29, 2009:* Emerging Steel Technologies
- *February 5, 2009:* State and Utility Partnerships
- *February 12, 2009:* Energy Assessments: What Are the Benefits to Large Facilities?
- *February 19, 2009:* Energy Assessments: What Are the Benefits to Small- and Medium-Sized Facilities?
- *February 26, 2009:* Quick PEP Tool Demonstration and Results

Brought to You in Partnership with:

### A Strong Energy Portfolio for a Strong America

Energy efficiency and clean, renewable energy will mean a stronger economy, a cleaner environment, and greater energy independence for America. Working with a wide array of state, community, industry, and university partners, the U.S. Department of Energy's Office of Energy Efficiency and Renewable Energy invests in a diverse portfolio of energy technologies.
