## General Information

### Who Must Register

Generally each money services business must register with the Department of the Treasury. This form must be used by a money services business (also referred to as an MSB) to register. However, not all MSBs are required to register. For example, if you are an MSB solely because you are an agent of another MSB, you are not required to register. The discussion below will help you determine whether or not you are an MSB that is required to register. For more information visit [www.msb.gov](http://www.msb.gov).

The term money services business includes:

1. Currency dealers or exchangers who exchange more than \$1,000 for any one customer on any day.
2. Check cashers who cash checks totaling more than \$1,000 for any one customer on any day.
3. Issuers of traveler's checks, money orders or stored value who issue more than \$1,000 in traveler's checks, money orders or stored value for any one customer on any day.
4. Sellers of traveler's checks, money orders or stored value who sell more than \$1,000 in traveler's checks, money orders or stored value for any one customer on any day.
5. Redeemers of traveler's checks, money orders or stored value who redeem more than \$1,000 in traveler's checks, money orders or stored value for any one customer on any day.
6. Money transmitters.
7. U.S. Postal Service.

The following are not required to register:

1. A business that is an MSB solely because it serves as an agent of another MSB. For example, a supermarket corporation that sells money orders for an issuer of money orders is not required to register. This is true even if the supermarket corporation serves as an agent for two or more MSBs. However, an MSB that serves as an agent of another MSB and engages in MSB activities on its own behalf must register. For example, a supermarket corporation must register if, in addition to acting as an agent of the money order issuer, it provides check cashing or currency exchange services on its own behalf in an amount greater than \$1,000 for any one person on any day.
2. The United States Postal Service, any agency of the United States, of any state, or of any political subdivision of any state.
3. At this time, persons are not required to register to the extent that they issue, sell or redeem stored value. If, however, a money services business provides money services in addition to stored

value, the provision of stored value services does not relieve it of the responsibility to register, if required, as a provider of those other services.

For the regulatory definition of "money services business" see 31 CFR 103.11(n) and (uu).

The following terms are used in the form and instructions to describe a money services business:

1. An "agent" is a separate business entity from the issuer that the issuer authorizes, through written agreement or otherwise, to sell its instruments or, in the case of funds transmission, to sell its send and receive transfer services. A person who is solely an employee of the MSB is not an agent of that MSB.
2. A "branch" is an owned location of either an issuer or agent at which financial services are sold. An MSB should not separately register each of its branches. A mobile operation owned by an MSB is a branch of that MSB. The MSB's headquarters is not a branch. If the MSB has only one location, that location is not a branch.
3. A "check casher" is a person engaged in the business of providing cash to persons in return for a check.
4. A "currency dealer or exchanger" is a person who engages in the physical exchange of currency for retail customers.
5. "Informal value transfer system". See explanation of the term money transmitter.
6. An "issuer" is the business that is ultimately responsible for payment of money orders or travelers checks as the drawer of such instruments, or a money transmitter that has the obligation to guarantee payment of a money transfer.
7. A "money transmitter" is a person that engages as a business in the transfer of funds through a financial institution. Generally, acceptance and transmission of funds as an integral part of the execution and settlement of a transaction other than the funds transmission itself (for example, in connection with the bona fide sale of securities) will not cause a person to be a money transmitter. An "informal value transfer system" is a kind of money transmitter. An informal value transfer system includes any person who engages as a business in an informal money transfer system or any network of people who engage as a business in facilitating the transfer of money domestically or internationally outside of the conventional financial institutions system.
8. A "person" is an individual, a corporation, a partnership, a trust or estate, a joint stock company, an association, a syndicate, joint venture, or other unincorporated organization or group, an Indian Tribe (as that term is defined in the Indian Gaming Regulatory Act), and all entities cognizable as legal personalities.

9. A "redeemer" is a business that accepts instruments in exchange for currency or other instruments for which it is not the issuer. You are not a redeemer if you take the instruments in exchange for goods or general services, provided that the amount of cash returned is not more than \$1,000 for any one customer on any day.

10. A "seller" is a business that issuers authorize, through written agreement or otherwise, to sell their instruments or their send and receive transfer services.

11. A "transaction account" is a deposit or account on which the depositor or account holder is permitted to make withdrawals by negotiable or transferable instrument, payment orders of withdrawal, telephone transfers, or other similar items for the purpose of making payments or transfers to third persons or others. Such terms include demand deposits, negotiable order of withdrawal accounts, savings deposit subject to automatic transfers, and share draft accounts. See 12 USC 461(b)(1)(c).

### When to Register

**Initial registration:** File the form within 180 days after the date the business is established.

**Renewal:** Each MSB must renew its registration every two years, on or before December 31. See 31 CFR 103.41(b)(2). For example, if an MSB registered on October 15, 2003, it must file a renewal by December 31, 2004, and then every 24 months thereafter (on or before December 31, 2006, then December 31, 2008, etc.). **Renewals must be submitted on a new Form 107. Photo copies of previously submitted forms or facsimiles will not be accepted for renewal purposes**

**Correction:** Use the form to correct a prior report. Complete Part I in its entirety and only those other entries that are being added or changed. Staple a copy of the prior report (or the acknowledgment from ECC-D if received) to the corrected report.

**Re-registration:** Refile a new registration form when one of the following events occurs:

1. a change in ownership requiring re-registration under state registration law;
2. more than 10 percent of voting power or equity interest is transferred (except certain publicly-traded companies) or;
3. the number of agents increases by more than 50 percent.

**Part III Owner or Controlling Person**

**General:** Any person who owns or controls a money services business is responsible for registering the MSB. Only one registration form is required for any business in any registration period. If more than one person owns or controls the business, they may enter into an agreement designating one of them to register the business. The designated owner or controlling person must complete Part III and provide the requested information. In addition, that person must sign and date the form as indicated in Part VII. Failure by the designated person to register the business does not relieve any other person who owns or controls the business of the liability for failure to register the business.

An “Owner or Controlling Person” includes the following:

| <i>Registrant Business</i> | <i>Owner or Controlling Person</i>   |
|----------------------------|--------------------------------------|
| Sole Proprietorship.....   | the individual who owns the business |
| Partnership.....           | a general partner                    |
| Trust.....                 | a trustee                            |
| Corporation.....           | the largest single shareholder       |

If two or more persons own equal numbers of shares of a corporation, those persons may enter into an agreement as explained above that one of those persons may register the business.

If the owner or controlling person is a corporation, a duly authorized officer of the owner-corporation may execute the form on behalf of the owner-corporation.

**Item 12--Individual’s last name, or organization’s name.** If the registrant is a publicly held corporation, it is sufficient to write “public corporation” in item 12. Where registrant is a public corporation, a duly authorized officer of the registrant must execute the form in Part VII.

**Items 13 to 22--**Enter the applicable information for the owner or controlling person. Their home address and phone number should not be used, unless a business address and phone number are unavailable.

**Item 23--Identification information.** If you completed item 22, you may omit this item. If you did not complete item 22, enter separately the form of identification, the ID number, and the issuing state or country. Do not provide “other” identification unless no driver’s license/state ID, passport or alien registration number is available. “Other” identification includes any unexpired official identification that is issued by a governmental authority. If you check item 23z, give a brief description of the “other” identification.

**Part IV Money Services and Product Information**

**Item 24--States and/or territories where the registrant, its agents or branches are located.** Check box “a” for All States and Territories, “b”

**Item 27--Informal value transfer system.** If any part of the registrant’s money services business is an informal value transfer system, check yes. An informal value transfer system is a kind of money transmitter. See the General Information explanation of the term “money transmitter”.

**Item 28--Mobile operation.** If any part of the registrant’s money services business is conducted as a mobile operation, check yes. A mobile operation is one based in a vehicle. For example, a check cashing service offered from a truck is a mobile operation. For purposes of Item 25, each mobile operation should be counted as a separate branch.

**Item 29--Number of agents.** Enter the number of agents that the registrant has authorized to sell or distribute its MSB services. 4. An agent list.

If the registrant has agents it must prepare and maintain a list of its agents. That agent list must be updated annually and retained by the business at the location in the United States reported on this registration form in Part II or Part VI. The agent list should not be filed with this registration form.

The agent list must include:

- a. Each agent’s name,
- b. Each agent’s address,
