

Southeast Climate Policy Forum

Charting the Path Ahead

February 3, 2009

Hyatt Regency Tampa
211 North Tampa Street
Tampa, FL 33602

Join us in Tampa for the continuation of our successful Climate Policy Forum series that approaches climate policy on a more focused, regional level. This forum will bring together Southeast state governmental leaders, Registry Members and business, environmental and academic stakeholders to address climate change policies and how they will affect the Southeast. Industry representatives will discuss how they will prepare for the future and the opportunities they see in this changing environment.

Registration is now open; seating is limited.

Meeting Highlights

- Be part of an interactive forum setting with an unprecedented lineup of regional, national and international government leaders, as well as business, environmental, academic and industry representatives
- Network at our opening reception with colleagues from industry, academia and government who share your interest in climate policy
- Member benefit! Registry Members can attend a free post-meeting workshop discussing tips on how to report and get your inventory verified
