Dear Ms. Frazier,

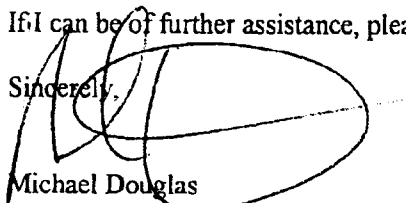

At the request of Mr. Kip Rabin, ILTC, I am responding to your request for additional information regarding testing performed for ILTC by BioScience Laboratories, Inc. (BSLI) (Fax dated January 30, 2003).

Regarding testing performed for International Laboratory Technology Corporation:

1. Study #990829 was the only pivotal Healthcare Personnel Antiseptic Handwash study performed by BSLI for International Laboratory Technology Corporation.
2. Of the total of eight (8) data sets sent, Study #990829 is the only one that should be used in the Efficacy Evaluation of the Citizens' Petition for the Healthcare Personnel Antiseptic Handwash.

If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

Michael Douglas
