Attn: Dr. Norman Turner  
Generic Animal Drug Team

Dear Dr. Turner:

This letter concerns our Suitability Petition 02P-0474/CP 1 for a requested change in the concentration of the active in a proposed generic Tiamulin Soluble Powder. It also references a phone conversation with Ms. Mary Leadbetter and Mr. William Marnane held on 1-14-03.

We wish to withdraw Suitability Petition 02P-0474/CP 1 with out prejudice. We now believe that action on the suitability petition may not be in our best interest.

If there are any questions concerning this submission, please call me at (816) 364-3777.

Sincerely:

Phoenix Scientific Inc.
