**NOTING FURTHER** that on May 22, 2006, SIECA agreed to that request (“May 22<sup>nd</sup> letter”);

**SEEKING** to institute the Secretariat and provide for its operation; and

**ANTICIPATING** that they will conclude a memorandum of understanding with SIECA establishing the details of the arrangements for SIECA to serve as the Secretariat and to house and provide facilities and administrative support for the Secretariat;

**HAVE AGREED AS FOLLOWS:**

**Article 1: Establishment**

The Parties hereby establish the Secretariat for Environmental Matters (“Secretariat”) and designate it to carry out the functions prescribed for the Secretariat in Articles 17.7 and 17.8 of the CAFTA-DR.

**Article 2: Location**

The Secretariat shall operate as an independent entity within SIECA and under the sole direction and supervision of, and shall report exclusively to, the Environmental Affairs Council (“Council”) established under Article 17.5 of the CAFTA-DR. The Secretariat shall not receive or act on instructions from SIECA or any authority other than the Council. The Secretariat may not hold itself out as a representative of the Parties or the Council.

2. The Secretariat may communicate with the Council through any appropriate means, including electronic communications and shall address such communications to each Council member through the contact point that the Party has designated pursuant to Article 17.5.1 of the CAFTA-DR.

4. As necessary to maintain the number of professional staff the Council determines under paragraph 1, the General Coordinator shall forward to the Council for consideration the name and curriculum vitae of any person the General Coordinator recommends that the Council appoint to the professional staff. The person shall be deemed to be appointed, unless within 60 days after the General Coordinator provides a name to the Council a member of the Council requests a meeting of the Council to consider the recommendation, in which case the Council shall decide whether to accept or reject the recommendation. Subject to the direction of the Council, the General Coordinator may determine the duties and conditions of service of professional staff. In selecting professional staff, the General Coordinator shall select staff strictly on the basis of efficiency, competence, and integrity and should strive to achieve an equitable balance from among the Parties.
