Defensible Space and Fire Prevention Meeting

What

Tamalpais Community Services District is hosting a wildland fire safety meeting.

Where

Tamalpais Community Center, 203 Marin Ave.

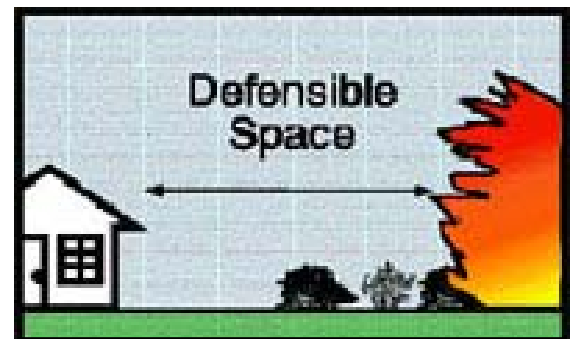

When

Monday, September 13, 2004 at 6:30 pm.

Who

Open to the general public.

FIRESafe Marin, Southern Marin Fire District, and the National Park Service will give a presentation on defensible space and fire prevention. Topics to be discussed are creating defensible space around your home and community, fire-safe building materials, firewise plants, and what to do in case of a wildland fire. There will also be an update on the Tam Fire.

Learn how to protect your home.
