

TRAILS FOREVER

LANDS END UPDATE

Efforts are underway to enhance the Coastal Trail at Lands End. This project is part of *Trails Forever*, a park-wide initiative to establish a world-class trail system and protect park resources in the Golden Gate National Parks. Lands End improvements are made possible by the generosity of the Richard and Rhoda Goldman Foundation, the California Coastal Conservancy, other community partners, and the 12,103 members of the Golden Gate National Parks Conservancy.

PROJECT OBJECTIVES

- Improved visitor experience
- Trail improvements
- Enhanced visitor safety
- Habitat restoration
- Community stewardship

SCHEDULE

OCTOBER 14-15

- Turnpike and culvert construction to improve drainage and prevent erosion
- Installation of post and cable fencing
- Creation of brush piles for bird habitat
- Trail tread and staircase repair
- Removal of selected non-native plants and invasive shrubs and groundcover to increase natural diversity

This project is being done with the help of volunteers, coordinated by Volunteers for Outdoor California. Visit www.v-o-cal.org.

TEMPORARY TRAIL AND PARKING LOT CLOSURES

In order to ensure your safety, access in the Lands End area will be restricted between **October 14-October 15**. An updated list of trail and parking lot closures and detours will be posted on the kiosks at the

Lands End parking lot and the Eagle's Point entrance (near Sea Cliff). Please see the map on the reverse side of this update for an alternative hiking route. Visit www.parksconservancy.org/ourwork/trailsforever.php for updated project information.
