INTERFACESOUTH serves as a clearinghouse of information about wildland-urban interface issues. Some of the resources that can be found are:

- Publications
- Training and outreach programs
- Decision support systems
- Literature database
- Photo gallery
- Current news and events

SIGN UP for our Southern Wildland Urban Interface Network (SWUINET) listserv and receive:

InterfaceSouth Updates

An electronic, monthly bulletin about critical wildland-urban interface issues.

InterfaceSouth Posts

An electronic message with current interface information, such as an upcoming conference or news article, sent on a weekly basis.

VIEW ON-LINE or request Center publications by clicking on Publications in the Our Products section.

We offer technical reports, books, fact sheets, journal articles, and more.
