GENERAL INFORMATION AND INSTRUCTIONS

If you have separated from Federal service, you can use this form to request a one-time-only withdrawal of part of your vested account balance. When you are ready to withdraw the rest of your account, but no later than the withdrawal deadline (April 1 of the year following the year in which you turn 70½ and are separated from service), submit Form TSP-70, Request for Full Withdrawal. If you would like to request a withdrawal of your entire vested account balance now, do not complete this form; instead, complete Form TSP-70. (Note: If you have both a uniformed services and a civilian TSP account, you can also combine your accounts into one by completing Form TSP-65, Request to Combine Uniformed Services and Civilian TSP Accounts. (For detailed rules about this feature, read Form TSP-65.)

Before completing a withdrawal request, you should read the booklet *Withdrawing Your TSP Account After Leaving Federal Service* and the TSP tax notice "Important Tax Information About Payments From Your TSP Account." Your former agency should have given you these materials when you separated from service. If you do not have these materials, download them from the TSP Web site (www.tsp.gov) or ask your former agency for a copy.

You are not eligible for a partial withdrawal if:

- Your vested account balance is less than \$1,000. The minimum amount for a partial withdrawal is \$1,000.
- You have previously made a partial withdrawal after separating from Federal service. Only one partial withdrawal is allowed.
- You have previously made an age-based in-service withdrawal.
- You expect to be rehired after a break in service of less than 31 calendar days. You must be separated from Federal service for 31 or more days in order to be eligible for a post-employment withdrawal. If you expect to be rehired after a break in service of **31 or more full calendar days**, see the withdrawal booklet for important information about rehired participants and withdrawal restrictions.

There are two ways to request a partial withdrawal:

1. Complete Form TSP-77 and mail it to the TSP. (Your request cannot be processed until your agency submits confirmation of your separation to the TSP.)
or
2. Use the TSP Web site (www.tsp.gov) to begin (and in some cases, complete) your withdrawal request. If your request cannot be completed on the Web because additional signatures, information, or documentation is needed or because you want to receive your money via direct deposit, you may print the partially completed withdrawal request form at the end of your on-line session. Review the form, complete any missing information, and provide any required signatures and documentation. **Do not change or cross out any of the prefilled information** resulting from your entries on the Web; the form may not be accepted for processing if you do. **Note:** Access to the Web site withdrawal request area is not available to a participant until his or her separation is reported to the TSP.

After completing your withdrawal request, make a copy for your records. Mail the original to: **Thrift Savings Plan, P.O. Box 385021, Birmingham, AL 35238**. Or fax the completed form to our toll-free fax number: **1-866-817-5023**.

If you have questions, call the (toll-free) ThriftLine at 1-TSP-YOU-FRST (1-877-968-3778) or the TDD at 1-TSP-THRIFT5 (1-877-847-4385). Outside the U.S. and Canada, please call 404-233-4400 (not toll free).

SECTION I. Complete Items 1–9. Your TSP account number is the 13-digit number that was issued to you. For security purposes, the TSP account number is used instead of your Social Security number to identify your account. The address you provide on this form will be used to update the address in your TSP account record. If you are married, also provide your spouse's name in Item 11.

Spouses' rights apply to all partial withdrawals from your TSP account, as follows:

Spouses' Rights for Partial Withdrawals

Classification	Requirement	Exceptions
FERS	Spouse must provide written consent to the partial withdrawal.	Whereabouts unknown or exceptional circumstances
CSRS	Spouse must be notified of the request for a partial withdrawal.	Whereabouts unknown

SECTION II. If you are a **CSRS participant**, you must complete the information about your spouse's address so that he or she may be notified of your withdrawal. If you do not know your spouse's whereabouts, check Item 17, provide your spouse's Social Security number in Item 10, and submit Form TSP-16, Exception to Spousal Requirements, with your withdrawal request.

SECTION III. If you are a married **FERS participant**, complete this section. Your spouse must consent to a partial withdrawal from your TSP account by signing and dating Items 18 and 19. Your spouse's signature must be notarized (Item 20).

Your spouse has the right to a joint and survivor annuity with a 50% survivor benefit, level payments, and no cash refund, unless your spouse waives his or her right to that annuity. By consenting to the partial withdrawal on this form, your spouse indicates his or her understanding that any amount disbursed now will not be available later for the purchase of such an annuity.

If you cannot obtain your spouse's signature because his or her whereabouts are unknown or you believe exceptional circumstances apply, check the box in Item 21, provide your spouse's Social Security number in Item 10, and submit Form TSP-16, Exception to Spousal Requirements, with the required documentation.

SECTION IV. You may withdraw \$1,000 or more. Use a whole dollar amount only. If your vested account balance is less than \$1,000, submit a full withdrawal request using Form TSP-70.

Transfer Option. You may elect to transfer all or any portion of your partial withdrawal payment to a traditional IRA, eligible employer plan, or Roth IRA. If you decide to transfer to a Roth IRA, be aware that there are restrictions for transferring your money.

Not everyone is eligible to transfer funds to a Roth IRA. You are not eligible for a Roth transfer if either of the following conditions applies: (1) your modified adjusted gross income is over \$100,000 or (2) you are married and file a separate return. Additionally, you **must pay tax on the amount you transfer** from the TSP to a Roth IRA; the tax liability is incurred for the year of the transfer. We strongly encourage you to consult with a tax advisor regarding your eligibility for, and the tax consequences of, making the transfer.

Payments that are not transferred directly to a traditional IRA, eligible employer plan, or Roth IRA are subject to **mandatory 20% Federal income tax withholding**. Read the TSP tax notice "Important Tax Information About Payments From Your TSP Account" for detailed tax rules.

GENERAL INFORMATION AND INSTRUCTIONS

SECTION V. If you chose to transfer part or all of your partial withdrawal by completing Item 23, you must also complete this section. Your plan or IRA can use this information to identify you when completing Section VI.

SECTION VI. If you chose to transfer your payment to a traditional IRA, eligible employer plan, or Roth IRA, **your financial institution or plan administrator must complete this section before you submit this form to the TSP.** (The traditional IRA, eligible employer plan, and Roth IRA are described in the TSP tax notice "Important Tax Information About Payments From Your TSP Account.")

Do not submit transfer forms of financial institutions or plans; the TSP cannot accept them.

The institution or plan to which the payment is to be transferred must be a trust established inside the United States (i.e., the 50 States and the District of Columbia).

The financial institution or plan should retain a copy of page 2 to identify the account to which the check should be deposited when it is received. If the transfer is to a traditional IRA or Roth IRA, the institution accepting the transfer should submit Form 5498, IRA Contribution Information, to the IRS. The TSP will report all payments and transfers to you and to the IRS on Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc.

Type of Account and Account Number. Indicate whether the transfer is to a traditional IRA, eligible employer plan, or Roth IRA in Item 31, and in Item 32 enter the account number, if available, of the plan or IRA to which the money is to be transferred. If the transfer is to an eligible employer plan, you must provide the plan name in Item 33.

Make check payable to. Provide the name of the plan administrator or IRA trustee (Item 34) as it should appear on the check. The check will be made payable to the name you provide on this line.

Mail to. If the check is to be mailed to someone other than the payee of the check, provide the name and address (Items 35 and 36) of the institution and/or person to whom the check should be sent.

The certifying representative must provide the requested information in Items 37–40. If we need to contact the financial institution or plan for more information, the individual named here will be used as the contact person.

SECTION VII. Complete this section only if you want the TSP to send your partial withdrawal directly to your checking or savings account by means of a direct deposit (electronic funds transfer (EFT)). Provide all of the requested information in this section. If you do not know the 9-digit Routing Number, contact your financial institution for this information.

Note: Only the portion of your withdrawal that is **not being transferred** to a traditional IRA, eligible employer plan, or Roth IRA can be paid by EFT. EFTs will be made only to a financial institution in the United States. EFT is a safer method of payment than mailing a check to you.

SECTION VIII. Read the certification; then sign and date it. By signing the certification, you are certifying that the information you have provided is true and complete to the best of your knowledge. You are also certifying that you are separated from Federal service and that your separation will last for 31 days or more. In addition, you are certifying that, if you chose to transfer your withdrawal to a Roth IRA, you are eligible to make the transfer and that you understand that you must pay tax on the amount transferred for the year of the transfer.
