

Citizenship Washington Focus

Citizenship Washington Focus is a 4-H leadership program for high school youth. For seven weeks of the summer, delegations of 14-19 year-olds from across the country attend this 6 day program at the National 4-H Youth Conference Center, located just outside Washington, D.C. The program is aimed at enriching young people's lives by broadening their appreciation and respect for themselves and others in the world. Participants learn and practice skills that will make them better citizens and more successful individuals.
