

FDA/ASH Public Workshop on Clinical Trial End Points in Multiple Myeloma

The Food and Drug Administration (FDA) and the American Society of Hematology (ASH), with co-sponsorship by the American Society of Clinical Oncology (ASCO) and the American Association for Cancer Research (AACR), are holding a public workshop on end points for multiple myeloma. Issues identified in the workshop will be further discussed before the Oncologic Drugs Advisory Committee (ODAC) and thereafter will be detailed in FDA Guidance Documents.

Date: October 26, 2006

Time: 8:30 – 5:00 p.m. Eastern Time

Address: Marquee Cabaret-Omni Shoreham Hotel
2500 Calvert Street, NW
Washington, DC 20008
Phone: (202) 234-0700
Toll-Free: 1-800-843-6664
Fax: (202) 265-7972

Metro Access: Closest Metrorail stop is **Woodley Park-Zoo/Adams Morgan** on the RED line. Hotel is located half a block from the Metro.

Registration: There is no registration fee, but attendance is limited. Advance registration is encouraged to ensure an adequate number of seats are available.

[Advance online registration](#) is available until October 19, 2006. On site registration will be available if space permits.

Questions: Please contact [Stephanie Kart](#), ASH Government Relations and Practice Coordinator, by e-mail at skart@hematology.org or call (202) 776-0544.
