To find additional information on Operator Certification check the Colorado Water and Wastewater Facility Operator Certification Program Office at <http://www.cdphe.state.co.us/op/ocb/ocbhom.asp> and the Operator Certification Program Office website at <http://www.ocpoweb.com>. In addition to the classes listed in this calendar, Red Rocks Community College in Lakewood offers degree courses in water quality management.

Front Cover: The Town of Palisade's 2 MGD microfiltration water treatment plant was completed and went on-line in 2007. As part of the project, the Town also built a 2.5 million gallon underground storage tank (foreground). The project was financed in part with a loan of \$6 million from the Colorado Drinking Water Revolving Fund.
