

## ORCA is coming ...

In early 2009, seven regional transportation agencies will introduce a new transportation pass program called ORCA—One Regional Card for All. ORCA, with smart card technology, will eventually replace the PugetPass, FlexPass, Vanpool Pass, and Commuter Bonus Vouchers.

Most pass products your company currently orders for its employees will continue to be available until the transition to ORCA is complete. ORCA will include business products similar to PugetPass and FlexPass including an electronic voucher option. Because ORCA cards can be reloaded or blocked, this new web-based system will give your company new options for your commuter program.

Metro business accounts will make the transition to ORCA over a period of a few months after ORCA becomes available. FlexPass customers will convert to ORCA upon their annual renewal date, beginning in early 2009. Metro ticket books will continue to be available separately from the ORCA program.

Watch this site for further updates about ORCA Business Accounts or contact your regular Metro Representative. You may also contact Employer Commute Services at 206-263-3444 or [employer.services@kingcounty.gov](mailto:employer.services@kingcounty.gov)
