Complete this form and attach an itemized statement from your day care provider or have your provider complete the information below. IRS regulations allow payment for services for an eligible dependent under age 13 or otherwise meets the "Qualifying Person Test" and for services that have already been provided, not for services to be provided in the future. (IRS regulations require you to report the provider's name, address and Tax Identification Number (or Social Security Number) on Form 2441 with your personal income tax return.) If your day care provider completes and signs this form below, no other itemized statement is necessary.

I certify that these eligible expenses have been incurred by me, my spouse or eligible dependent and medical expenses are not for cosmetic purposes but for the treatment of an illness, injury, trauma, or medical condition. I understand that "incurred" means the service has been provided that gave rise to the expense, regardless of when I am billed or charged for, or pay for the service. The expenses have not been reimbursed and I will not seek reimbursement elsewhere. I understand that any amounts reimbursed may not be claimed on my or my spouse's income tax returns. I have received and read the printed material regarding the reimbursement accounts and understand all of the provisions.
