## Introduction

**This document amends your Kaiser Foundation Health Plan, Inc. (Health Plan) Evidence of Coverage (EOC) to include coverage for Medically Necessary Chiropractic Services under the following terms and conditions.**

Kaiser Foundation Health Plan, Inc. contracts with American Specialty Health Plans of California, Inc. (ASH Plans) to make the ASH Plans network of Participating Chiropractors available to you. When you need chiropractic care, you have direct access to more than 2,800 licensed chiropractors in California. You can obtain covered Services from any Participating Chiropractor without a referral from a Plan Physician. Cost Sharing is due when you receive covered Services.

Note: If you are a Kaiser Permanente Senior Advantage or Medicare Cost Member, please refer to your Health Plan *Evidence of Coverage* for information about the chiropractic Services that Medicare covers, which are separate from the Services covered under this "Chiropractic Services Amendment." This Amendment does not describe Services covered by Medicare. Medicare rules determine which coverage pays first, or is "primary," and which coverage pays second, or is "secondary." Your Medicare coverage is primary unless Medicare is secondary by law.

## Definitions

In addition to the terms defined in the "Definitions" section of your Health Plan *Evidence of Coverage*, the following terms, when capitalized in this "Chiropractic Services Amendment," mean:

**Emergency Chiropractic Services:** Covered chiropractic services provided for the sudden and unexpected onset of an injury or condition affecting the neuromusculoskeletal system which manifests itself by acute symptoms of sufficient severity (including severe pain) such that a reasonable layperson with no special knowledge of health, medicine, or chiropractic care could reasonably expect that a delay of immediate chiropractic care could result in (1) placing your (or your unborn child's) health in serious jeopardy, (2) serious impairment to your bodily functions, or (3) serious dysfunction of any bodily organ or part.

**Medically Necessary Chiropractic Services:** Chiropractic services provided or prescribed by a chiropractor (including laboratory tests, X-rays, chiropractic appliances) that are appropriate and required

for the treatment of your Neuromusculoskeletal Disorder in accord with generally accepted professional standards of practice for the chiropractic treatment of Neuromusculoskeletal Disorders.

**Neuromusculoskeletal Disorders:** Conditions with associated signs and symptoms related to the nervous, muscular, or skeletal systems. Neuromusculoskeletal Disorders are conditions typically categorized as structural, degenerative, or inflammatory disorders, or biomechanical dysfunction of the joints of the body or related components of the motor unit (muscles, tendons, fascia, nerves, ligaments/capsules, discs, and synovial structures), and related neurological manifestations or conditions.

**Non-Participating Chiropractor:** A chiropractor other than a Participating Chiropractor.

**Non-Participating Provider:** A provider other than a Participating Provider.

**Participating Chiropractor:** A chiropractor who is licensed to provide chiropractic services in California and who has a contract with ASH Plans to provide Medically Necessary Chiropractic Services to you. A list of Participating Chiropractors was included with your enrollment materials. Also, the current list of Participating Chiropractors is available on the ASH Plans Web site at [ashcompanies.com](http://ashcompanies.com) or from the ASH Plans Member Services Department at 1-800-678-9133 (TTY users call 711). The list of Participating Chiropractors is subject to change at any time, without notice. If you have questions, please call the ASH Plans Member Services Department.

**Participating Provider:** A Participating Chiropractor, or any licensed provider with which ASH Plans contracts to provide covered laboratory tests or X-rays.

**Treatment Plan:** A proposed course of treatment for your Neuromusculoskeletal Disorder, which may include laboratory tests, X-rays, chiropractic appliances, and a specific number of visits for chiropractic manipulations, adjustments, and therapies that are Medically Necessary Chiropractic Services for you.

## Participating Providers

**Please read the following information so you will know from whom or what group of providers you may receive covered Services.**

ASH Plans contracts with Participating Chiropractors and other Participating Providers to provide covered

chiropractic services, including laboratory tests, X-rays, and chiropractic appliances. You must receive covered Services from a Participating Provider, except for Emergency Chiropractic Services and Services that are not available from Participating Providers that have been preauthorized by ASH Plans.

### **How to obtain Services**

To obtain covered Services, call a Participating Chiropractor to schedule an initial examination. If additional Services are required, your Participating Chiropractor will prepare a Treatment Plan. The ASH Plans Clinical Services Manager will authorize the Treatment Plan if the Services are Medically Necessary Chiropractic Services for you. ASH Plans will disclose to you, upon request, the process that it uses to authorize a Treatment Plan. If you have questions or concerns, please contact ASH Plans or Kaiser Permanente as described under "Member Services" in this "Chiropractic Services Amendment."

### **Covered Services**

We cover the Services listed in this "Covered Services" section if ASH Plans has authorized the Services as part of your Treatment Plan. Covered Services are provided at the Cost Sharing listed in this "Covered Services" section. However, you may be liable for the cost of noncovered Services you obtain from Participating Providers or Non-Participating Providers.

### **Office visits**

We cover up to 30 of the following types of office visits per calendar year at **\$15 Copayment per visit**. Each office visit counts toward the calendar year visit limit even if an adjustment is not provided during the visit:

- **Initial examination:** An examination performed by a Participating Chiropractor to determine the nature of your problem (and, if appropriate, to prepare a Treatment Plan), and to provide Medically Necessary Chiropractic Services, which may include an adjustment and adjunctive therapy (such as ultrasound, hot packs, cold packs, electrical muscle stimulation). We cover an initial examination only if you have not already received covered Services from a Participating Chiropractor in the same calendar year for your Neuromusculoskeletal Disorder
- **Subsequent office visits:** Subsequent Participating Chiropractor office visits for Medically Necessary Chiropractic Services, which may include an adjustment, adjunctive therapy, and a re-examination to assess the need to continue, extend, or change a Treatment Plan

### **Laboratory tests and X-rays**

We cover Medically Necessary laboratory tests and X-rays when prescribed as part of covered care described under "Office visits" in this "Covered Services" section at **no charge** when a Participating Chiropractor provides the Services or refers you to a Participating Provider for the Services.

### **Chiropractic appliances**

We provide a **\$50 Allowance per calendar year**, toward the ASH Plans fee schedule price for chiropractic appliances listed in this paragraph when the item is prescribed and provided to you by a Participating Chiropractor as part of covered care described under "Office visits" in this "Covered Services" section. If the price of the item(s) in the ASH Plans fee schedule exceeds **\$50** (the Allowance), you will pay the amount in excess of **\$50** (and that payment does not apply toward your annual out-of-pocket maximum). Covered chiropractic appliances are limited to: elbow supports, back supports (thoracic), cervical collars, cervical pillows, heel lifts, hot or cold packs, lumbar braces and supports, lumbar cushions, orthotics, wrist supports, rib belts, home traction units (cervical or lumbar), ankle braces, knee braces, rib supports, and wrist braces.

### **Second opinions**

If you request a second opinion, it will be provided to you by a Participating Chiropractor who is an appropriately qualified chiropractor (a chiropractor who is acting within his or her scope of practice and who possesses a clinical background related to the illness or condition associated with the request for a second medical opinion). To get a second opinion, make an appointment with a Participating Chiropractor. Second opinion office visits are provided at **\$15 Copayment per visit**, and count toward your annual visit limit unless a Participating Chiropractor refers you to another Participating Chiropractor for a consultation that does not include treatment. If ASH Plans determines that there isn't a Participating Chiropractor who is an appropriately qualified chiropractor for your condition, ASH Plans will authorize a referral to a Non-Participating Chiropractor for a second opinion.

### **Emergency Chiropractic Services**

We cover Emergency Chiropractic Services provided by a Participating Chiropractor or a Non-Participating Chiropractor at **\$15 Copayment per visit**. We do not cover follow-up or continuing care from a Non-Participating Chiropractor unless ASH Plans has authorized the Services. Also, we do not cover Services from a Non-Participating Chiropractor that ASH Plans determines are not Emergency Chiropractic Services.

As soon as possible after receiving Emergency Chiropractic Services, you must file an ASH Plans claim form. To request a claim form or for more information, please call ASH Plans at 1-800-678-9133. You must send the completed claim form to:

American Specialty Health Plans of California, Inc.  
P.O. Box 509002  
San Diego, CA 92150-9002  
Attention: Claims Department

## **Member Services**

American Specialty Health Plans of California, Inc.  
Member Services Department  
P.O. Box 509002
