Procedural Requirements for Requests for Interpretative, No-Action, and Exemptive Letters, OMB Control Number 3038-0049—Extension

Commission Regulation 140.99 requires persons submitting requests for exemptive, no-action, and interpretative letters to provide specific written information, certified as to completeness and accuracy, and to update that information to reflect material changes. The regulation was promulgated pursuant to the Commission's rulemaking authority contained in section 8a(5) of the Commodity Exchange Act, 7 U.S.C. 12a(5) (2000). Regulation 41.3 requires securities brokers and dealers submitting requests for exemptive orders to provide specified written information in support of such requests. Regulation 41.3 was promulgated in response to the requirement in the Commodity Futures Modernization Act of 2000 that the Commission establish procedures for requesting such orders.

The Commission estimates the burden of this collection of information as follows:

ESTIMATED ANNUAL REPORTING BURDEN

17 CFR Section	Annual number of respondents	Frequency of response	Total annual responses	Hours per response	Total hours
17 CFR 140.99	350	On occasion	455	7.0	3,185
17 CFR 41.3	60	On occasion	24	0.5	12

There are no capital costs or operating and maintenance costs associated with this collection.

This estimate is based on the number of requests for such letters in the last three years. Although the burden varies with the type, size, and complexity of the request submitted, such request may involve analytical work and analysis, as well as the work of drafting the request itself.

Dated: May 18, 2007.

Acting Secretary of the Commission
