From Interstate 580, take the Vasco South exit. Continue south for 2 miles, turn left onto East Avenue and proceed to the Vehicle Security Checkpoint at the East Avenue corridor. During peak hours, 6:30 - 9 am, you will need to stop at the white security kiosk to obtain a vehicle access pass. After passing through the East Avenue corridor turn right at the second entrance designated on the map. Limited visitor parking spaces are available. All vehicles are subject to search.

You will be required to show picture ID (driver's license or passport) for check in. Your name will be on a list for access through the security portal on East Avenue. After admittance to East Avenue, proceed to building 911 Visitor Control to obtain your badge.
