RE: DOCKET #98N-1038  
IRRADIATION IN THE PRODUCTION, PROCESSING & HANDLING  
OF FOOD

Dear Dr. Henney,  
We need to have labelling on our  
food if to have irradiated. I  
totally opposed to have my food  
irradiated. I feel that it  
is important for the population  
to know and understand  
about irradiation and have  
a choice.
