RE: Docket No 98N-1265

Dear Ms or Sir, 11:55 AM 7/30/99

I am requesting that the FDA amend
MOU no later than July 29, 1999.
It is imperative that Specialty Pharm-
acies can continue to compound custom
drugs. Unfortunately different people
have different needs in drugs, one
compound is not always acceptable to
each and every person.

Sincerely

Pauline K. Neuman
