

7/24/99

Dear Sue:

I strongly object to the proposed restrictions possibly being placed upon ^{11/20} myself ^{11/30} & ^{11/20} my Doctor (M.C.U. Societ # 98N-1265.)

to obtain healthcare products from the provider of our choice. Not to mention the hardships it will place on compounding pharmacists! I for one am extremely grateful that these people are here for us. I refuse to go back to using or taking anything synthetic!

I am requesting that the mou be amended.
