Gentlemen:

RE: DOCKET No. 98N-1265

Please consider my letter regarding the above Docket when making your decision on compounded drugs.

In its present form, the MOU, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of physicians & patients to obtain healthcare products from the provider of their choice, & infringes on the rights of compounding pharmacists to serve the public's medical needs."

I currently use ~~A~~ compounding prescription & it greatly helps w/ my quality of life.

Thank you. Sincerely

Helen Burdum
