Re: Docket No. 98N-1265

The memorandum of understanding (MOU) in its present form, as well as the Compounding Section 503A of the Modernization Act, severely restricts the rights of physicians and patients to obtain healthcare products from the provider of their choice, and infringes on the rights of compounding pharmacists to serve the public's medical needs.

Our rights as Americans are slowly (sometimes not so slowly) being taken away by the government that is supposed to be working for us. MOU must be amended.

Sincerely,
Carole S. Thompson
