To the FDA---

RE: Docket No 98N-1265
1437 99 JUL 30 1999

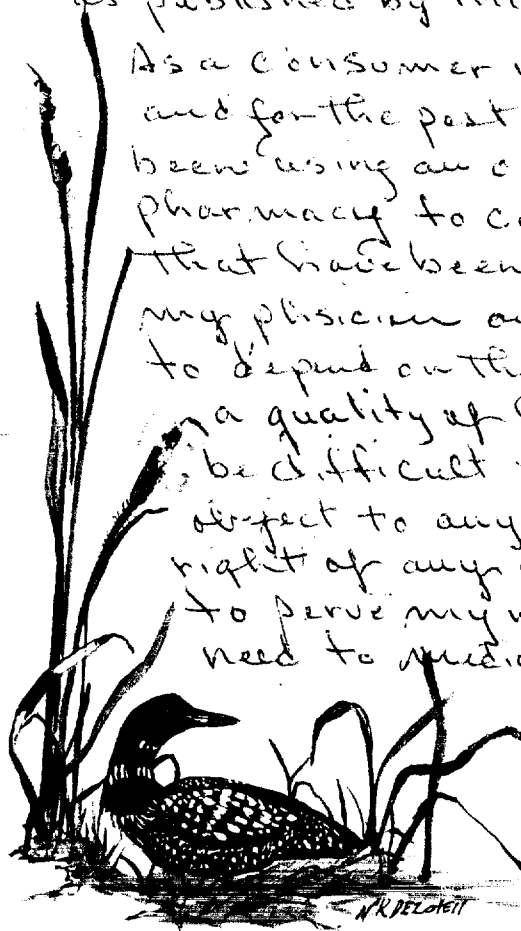

I am sending this letter as a consumer of healthcare services to register my concern and disapproval of the Memorandum of Understanding as published by the FDA on 21 Jan. 1999.

As a consumer who presently and for the past 70+ years has been using an out of state speciality pharmacy to compound hormones that have been prescribed by my physician and I have come to depend on them to give me a quality of health that would be difficult to duplicate. I object to any infringement on the right of any compounding pharmacist to serve my needs or anyone else's need to medical well being.

Sincerely
