Dear FOL Member,

I am writing to express my concern and disapproval of the Memorandum of Understanding as published by you on Jan. 21, 1999.

Without the right to receive compounded drugs out of state, I would be denied access to hormones that have been a great help to me. After trying many different hormones from drug companies, none agreed with me as did those natural hormones compounded for me from Women's International Pharmacy.

Therefore, in its present form, the MOW and the Compounding section 503H of the Modernization Act, restricts my right to my compounded hormones. The MOW must be amended.

Very truly,  
Anne Manuel
