RE: Docket Number 98P-01151/CPI

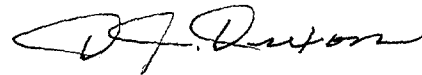

Dear Food & Drug Adm.

There are so many reasons regarding health, as well as humaneness, to stop the downed animal trade that we implore you to take action against this atrocity. Surely it is the least we can expect from our overseers at Food & Drug.

We anxiously await your consideration and action.

Sincerely,

  
B. T. Dixon

  
D. J. Dixon
