Jane Henney, MD
Commissioner FDA
5600 Fishers Lane, Rm 1471
Rockville, MD 20857

Dear Dr. Henney
Isn't it time that the use of anti-biotics
in the production of farm animals was totally
banned !!? How many more disease resistant
bacteria do we help develop before the FDA
comes to its senses !!? Is the farm lobby
too potent a force for your office to overcome ??!
I certainly hope not... I'd be curious to
hear your views Thank you

Sincerely,
Leon Rosenthal

C 2701
