

Dear Mrs. Hecney

please get #4058 <sup>501</sup> JAN 17 110/41

Growth promoters (that are used  
on livestock (that are used  
on human medicine) for  
farm animals

The Organism known  
has Banned this  
too many antibiotics

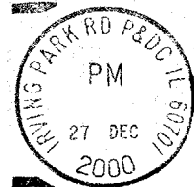

are now useless  
because of this organism  
use by farmers

So many diseases have  
for better on antibiotics
