Dear Dr. Henney, I am writing to express my concern over the FDA's regulation of genetically engineered (GE) food. I request that the agency's current policies be changed, and I support all the points in docket #00P-1211\CP1 All GE foods should be labeled so I am informed and have a choice. GE foods should not be assumed to be generally recognized as safe and should have mandatory pre-market safety testing There should be a moratorium on GE. 20¢ stamp please Commissioner Jane Henney Commissioner Jane Henney FDA Docket No.00P-1211\CP1 FDA Dockets Management Branch (HFA-305) 5630 Fishers Lane, Room 1061	Company of the Compan
