

DEPARTMENT OF COMMERCE**Patent and Trademark Office****Submission for OMB Review;
Comment Request**

The United States Patent and Trademark Office (USPTO) has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Of this total, the USPTO expects that approximately 6 per year for petition for rescission of secrecy order, 3 per year for permit to disclose or modification of secrecy order, 1 per year for general and group permits, 1,402 per year for petition for expedited handling of license (no corresponding application), 126 per year for petition for expedited handling of license (corresponding U.S. application), 1 for petition for changing scope of license, and 130 per year for a petition for retroactive license will be filed.

When an invention is determined to be detrimental to national security, the Director of the USPTO must issue a secrecy order and withhold the grant of a patent for such period as the national interest requires. The USPTO collects information to determine whether the patent laws and

rules have been complied with, and to grant or revoke licenses to file abroad when appropriate. This collection of information is required by 35 U.S.C. 181-188 and administered through 37 CFR 5.1-5.33. There are no forms associated with this collection of information.

Affected Public: Individuals or households; business or other for-profit; not-for-profit institutions; farms; the Federal government; and State, local or tribal Government.
