SECTION D CONTRACT DOCUMENTS, EXHIBITS, OR ATTACHMENTS

D.1 GENERAL REQUIREMENTS

1.1 Scope of Contract

1.1.1 The intent of this solicitation and any resultant contract is to obtain services of Incident Base Facilities at various field locations during wildland fire and other types of activities throughout the State of California. **The Scope of this contract is all Type I and II wildfires within the Pacific Southwest Region that have a complete (long) team assigned. This commitment includes only wildfires under Forest Service Management. The Forest Service's commitment to the contractor is for these incidents only,** however the contract may also be used for incidents managed by other cooperating Federal and State Agencies. **Incidents which begin with other agencies management and change management to the Forest Service are excluded from the commitment under this contract.**

1.1.2 The Incident Base service is to include all equipment, labor, materials, and supplies normally associated with the trade. Such services shall include, but are not necessarily limited to, complete management, control, purchase, storage, and maintenance.

1.1.3 The Government, at its option and by mutual consent of the Contractor, may order additional Incident Base equipment as shown in and at the rates offered in Section B. The Contractor should not bring optional equipment to the incident unless the packaging of the equipment necessitates this. For example, if the Contractor packages optional chairs, tables, or tents in a trailer with other equipment, this would be permissible. The only optional equipment which will be ordered under this contract is additional equipment of the like and type being acquired under this contract. In addition, the contractor may offer a potable water truck as optional equipment.

1.1.4 Due to the sporadic occurrence of incident activity, the Government DOES NOT GUARANTEE placement of any orders for service.

1.1.4.1 The Contractor is obligated to perform during the periods of time stated in Section B in accordance with the terms and conditions stated herein for the duration of the incident, or until released by the Government. If the contractor would like to be released from their required availability during the mandatory availability period, they must obtain approval from the GACC dispatch office.

1.2 Government Furnished Services

1.2.1 Fuel Tender
