Date

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number.

FOOTNOTES

- 1 The shares were withheld by Fannie Mae for payment of tax liability upon the vesting of 36,643 shares.
- 2 Under Fannie Mae's Performance Share Program, as a member of Fannie Mae's senior management, the reporting person has previously received awards that entitle the reporting person to receive shares of Fannie Mae common stock in an amount based upon and subject to Fannie Mae's meeting corporate performance objectives over three-year periods. Generally, Fannie Mae's Compensation Committee determines in January of the year following completion of the cycle the number of shares of common stock each awardee is entitled to receive, and the shares are paid out in two annual installments that January. (Footnote 2 is continued in 3 below.)
- 3 For the three-year performance cycle completed in 2003, the reporting person was determined in January 2004 to be entitled to receive 60,090 shares, of which the reporting person received 30,045 shares in accordance with the program and the balance was scheduled to be received in January 2005. As previously announced, Fannie Mae's Board of Directors and Compensation Committee have deferred payment of unpaid performance shares for the performance cycle completed in 2003. As a result, 30,045 shares scheduled to be issued to the reporting person in January 2005 have not yet been issued. These shares are included in the reporting person's total holdings above.
- 4 These restricted shares vest in four equal annual installments beginning in January 2008, subject to accelerated vesting in the event of death, disability or retirement. The reporting person must retain one-fifth of these shares, measured after any shares are withheld to pay required tax withholding liability upon vesting, until his employment with Fannie Mae is terminated.
