FOOTNOTES

- 1 Under Fannie Mae's Performance Share Program, as a member of Fannie Mae's senior management, the reporting person has previously received awards that entitle the reporting person to receive shares of Fannie Mae common stock in an amount based upon and subject to Fannie Mae's meeting corporate performance objectives over three-year periods. Generally, Fannie Mae's Compensation Committee determines in January of the year following completion of the cycle the number of shares of common stock each awardee is entitled to receive, and the shares are paid out in two annual installments that January. (Footnote 1 is continued in 2 below.)
- 2 For the three-year performance cycle completed in 2003, the reporting person was determined in January 2004 to be entitled to receive 23,850 shares, of which the reporting person received 11,925 shares in accordance with the program and the balance was scheduled to be received in January 2005. As previously announced, Fannie Mae's Board of Directors and Compensation Committee have determined to defer payment of unpaid performance shares for the performance cycle completed in 2003 until reliable financial data for the relevant period are available. As a result, 11,925 shares scheduled to be issued to the reporting person in January 2005 have not yet been issued. These shares are included in the reporting person's total holdings above.
- 3 End of period holdings include additional shares acquired under the Issuer's dividend reinvestment plan through November 25, 2006.
- 4 End of period holdings include additional shares acquired from the reinvestment of dividends in Issuer's ESOP through November 27, 2006.
