Article 10

Safety and Health

10.01 Employees covered hereby shall be required to comply with all safety rules and regulations established by the Company, NASA, as well as State and Federal Law or regulation. Employees shall be required to utilize such protective equipment or clothing as is required to accomplish their respective jobs. The Company shall provide such clothing and equipment. Article 11

Grievance Procedure

11.01 It is the intent of this Article to establish a means for prompt adjustment of working problems and personal grievances at the job level by a conference between the Local Logistics Supervisor (LLFS) and/or his designated supervisor(s) and the employee involved, providing a Union representative has been given an opportunity to be present. A working problem or personal grievance is defined to be a controversy between any employee, or group of employees, and the Company involving the interpretation or application of provisions of this Agreement or supplements thereto.

11.02 If not resolved in this informal level, a formal grievance shall be filed and processed in accordance with the steps and time limits and mutually agreed upon extensions specified below. For the purpose of this Article a formal grievance is defined as a written statement by the Union, an individual employee, or group of employees (herein called the "Grievant") claiming a violation by the Company of terms of this written Agreement.

11.03 Except for payroll adjustments, no grievance shall be initiated, based on facts, events, or omissions, within the employee's knowledge, which have occurred more than ten (10) working days prior to initiation of such complaint or grievance.

11.04 Both parties agree to exert an earnest effort to settle such grievances through the following steps:

STEP 1. Any matters of contention between an employee, group of employees, or the Union, and the Company, shall be initially discussed between the aggrieved party the appropriate Local Logistics Supervisor (LLFS) and/or his designated supervisor(s). The shop Steward shall be present at all grievance or discipline investigation meetings between Management and members of the Bargaining Unit as a representative of the Bargaining Unit member, if the member so desires, or as a "witness of fact" representing the interest of the Union. If such matter is not resolved at this informal step, the aggrieved party, or parties, may elect to move to step 2.

STEP 2. At the election of the aggrieved party, and within five (5) working days of the meeting in step 1, a formal written grievance, either written by the grievant or the Shop Steward, (if written by the grievant a copy being presented to the Shop Steward), shall be presented to the Local Logistics Supervisor (LLFS). LLFS will forward the grievance to the Director, Human Resources. The Director, Human Resources, shall have five (5) working days to respond in writing to the Shop Steward. The Steward shall indicate his acceptance or rejection of the decision.

11.05 All time limits prescribed herein may be extended by mutual written agreement of the parties. Failure of the Company to respond to a grievance within the time limits set forth herein shall constitute a basis for the Union to escalate the grievance to the next step. Failure of the Union or the employee to process the grievance to the next step within the time limits set

forth herein shall render the subject grievance, and any associated claims, void, and any further action on the subject grievance or the said associated claims shall be barred.

11.06 Nothing in this Agreement shall be construed to prevent an employee from discussing any problem with his supervisor(s), the Local Logistics Facility Supervisor (LLSF) and/or his designated supervisor(s), or any other official of the Company, but there shall be no formal grievance until it has been reduced to writing. The union agrees that neither a Steward nor other Union officials shall incite grievances.

Article 12

Arbitration Procedure

12.01 In the event that the grievance is not satisfactorily disposed of by the procedures of Article 11, then the Union may, within thirty (30) calendar days, after receipt of the Company's response to STEP 2, request the Federal Mediation and Conciliation Service (FMCS) to submit a panel of seven (7) impartial arbitrators from which the Union and the Company shall strike names in order to determine an arbitrator to settle the matter. The Union and Company shall mutually share the expense of the arbitration panel.

12.02 Within thirty (30) calendar days of receipt of the FMCS panel the Union and Company shall, by meeting or phone, "strike names" to determine the arbitrator that will arbitrate the grievance. In striking names the Union shall first strike one name, followed by the Company striking a name, reducing the panel by two names, with this process continuing until only one name remains unstuck. The unstuck name shall be the arbitrator who shall arbitrate the issue.

12.03 The Union and the Company shall equally share the expense and fee of the neutral arbitrator, including any mutually agreed upon services relating to the arbitration proceedings. Each party shall make all arrangements, including pay and/or expenses of any witnesses called or other representatives or persons requested to attend any arbitration hearing. The Company shall excuse from work, without reprisal, all employees called as witness to an arbitration by the Union. The number of employee witnesses shall not be greater than the number that can be released at any one time without interference with the operation of the Company's work.

12.04 The arbitrator shall not have the authority to alter, amend, add to, modify or change the terms and provisions of this Agreement and his/her decision shall be limited to the particular grievance in question. The arbitrator's decision shall be final and binding upon the parties.

12.05 In any case involving discharge or discipline imposed by the Company, back wages, if any are awarded, shall be limited to the amount of wages that the Grievant would otherwise have earned, less any unemployment compensation, substitute earnings or other compensation whatsoever the Grievant earned during the period of discharge or suspension. The Company shall have the right to require the Grievant to produce any records that shall evidence such compensation.

Article 13

Seniority

13.01 Job Classification Seniority shall be defined as the length of continuous service from the employee's latest date of classification into his current job classification, whether established by the present Company or any successive predecessor companies, and shall be recognized on an individual job classification basis.

13.02 Bargaining Unit Seniority shall be defined as the length of continuous Bargaining Unit service, from the employee's earliest date of hire into the Bargaining Unit, whether initially hired into the Bargaining Unit by the current Company, or any successive predecessor companies, and shall be recognized on a Bargaining Unit wide basis.

13.03 In administering this Agreement, seniority shall be defined first as job classification seniority and then bargaining unit seniority, in that order. Said definition shall be the determining factor in effecting layoffs, recalls, promotions, demotions, and respect to other working conditions where specifically stated in this Agreement. An employee replacing another employee as the result of a bump must be able to perform the job with normal orientation but without training.

13.04 The Company shall furnish the Union, initially within 30 days of the ratification of this agreement and updated as changes occur, with an accurate seniority list of all employees in the bargaining unit. Such list is to include the employee's full name, Bargaining Unit Seniority date, job classification, Job Classification Seniority date, and wage rate.

13.05 Seniority shall be canceled and terminated upon the happening of any one of the following events:

Employee quits.

An employee is discharged for just cause.

An employee overstays a leave of absence without notifying the company, except in cases of extenuating circumstances.

An employee engages in other employment during a paid leave of absence without obtaining the prior written permission of the Company.

An employee gives false reason for obtaining or extending a leave of absence.

A notice of any such vacancy or new job shall be posted, in plain view, in an area accessible to all employees, by the Company for not less than five (5) consecutive work days. Any employee interested in such position shall, within six work days of the first day of posting, submit an internal application to the Local Logistics Supervisor (LLFS) and/or his designated supervisor(s) for such position. In the event the Company determines that one of the said employees, who have submitted an internal application for such vacancy, is qualified, or more qualified than another employee(s), it shall assign that employee to such position. In the event no employee submits an internal application for such position, or if the Company determines that no applicant is qualified for such position, then an employee shall be hired/transferred to fill the position. The Company's determination of "qualifications" shall be subject to the grievance and arbitration procedure.

14.02 Any employee who is awarded a job opening shall undergo a sixty (60) work day trial period in the new position to which he/she is assigned. If, during the trial period, the Company determines that the employee cannot satisfactorily perform the requirements of the new job, he/she shall be returned to their position, or its equivalent, and shall receive the applicable rate for such position. Employees who are accepted on any job opening and are returned to their former job for failing to meet job requirements shall not be permitted to apply for any job for a period of one (1) year. Any disputes under this paragraph shall be subject to the grievance and arbitration process.

Article 15

15.02 Any employee within a particular job classification who is affected by a layoff within his job classification may bump, based first upon bargaining unit seniority, any less senior employee in any like or lower rated job classification where the employee seeking to bump a less senior employee is qualified for the position in the like or lower rated job classification.

15.03 When increasing the work force, those employees who were reclassified at the time of layoff will be returned to their former classifications in line with their seniority as openings occur. Recall of laid-off employees shall be in reverse order of layoff, the last laid-off is the first recalled. Notification of openings for recall shall be given by the Company by registered or certified mail to the employees last known mailing address as furnished by the employee. A copy of such notice shall also be sent to the Union.

15.04 An employee recalled from layoff shall respond within five (5) work days of receipt of the recall notice as to his intent to return to work. If no response is received within eight (8) work days of the day the notice of recall is mailed the next employee on the seniority list may be recalled and the notified employee will be terminated. If no qualified employee remains on the seniority list a new employee may be hired or assigned to the open position. Failure of the employee to keep the Company advised in writing of his current correct address will relieve the Company of all obligations indicated in this paragraph.

Article 16

Hours of Work

Under this paragraph the hours which are paid as report pay time shall be considered as time worked for purposes of computing overtime.

17.02 An employee who is required to stand by for recall to work, during any time employee is normally away, or off, from work, shall receive one (1) hours pay each time the employee receives notification that he is to stand by for recall to work. An employee shall not remain in a stand by status for more than twelve (12) continuous hours, unless the Company, prior to the end of a continuous twelve (12) hour stand by shift, notifies the employee that he is to remain on stand by for another continuous twelve (12) hour shift.

The Company shall not require any employee to utilize sick/personal leave for any reason. The Company reserves the right to require proof of illness for any period of sick/personal leave exceeding three (3) days. Said sick/personal leave hours may be extended provided the employee has sufficient hours accrued to cover the extended absence.

22.03 Paid holidays falling within an employee's authorized and previously scheduled vacation period, shall not be charged to that employee's vacation account.

22.04 An employee who leaves the employ to the Company shall be paid for accrued vested vacation credits at his straight time hourly rate.

22.05 The Company shall return request for vacation either approved or disapproved within five (5) work days of submittal. If two employees request, at the same time, the same period of vacation, and the Company determines that only one employee may be allowed to take vacation, the Company shall allow the senior of the two employees to take the vacation. Once an employee's vacation request is approved it will not be overridden by a request from a more senior employee for the same time frame.

22.06 Any vacation leave accrued and vested in excess of two times the employee's annual accrual rate shall be paid to the employee by the next regular scheduled pay day.

22.07 Employees within the same job classifications and/or pay rate may, due to humanitarian reasons, donate vested vacation leave to other Bargaining Unit employees of the same job classification and/or pay rate who have insufficient leave.

Article 23

Wage Rules

23.01 The rates set forth in Appendix "A" attached hereto and made a part of this Agreement shall prevail on and after the effective date indicated hereon. There shall be no cross classification work preformed.

23.02 When a new job classification, in addition to those listed in Appendix "A" is created, the wage rate therefore, shall be determined by negotiation between the Company and the Business Representative of the Union.

23.03 Pay increases or decreases shall become effective on the date of implementation of a new classification.

23.04 Payday is to be Friday by 4:30 p.m. for the two weeks period ending in the previous calendar week. If Friday is a holiday, Thursday is to be payday. Direct deposit checks or notices will be mailed to the employee's home address. A payroll check delivery delay caused by the U. S. Mail or other carrier shall be deemed as act beyond the control to the Company.

23.05 An employee who is called back to work after completing their normal work day, or called in on a regular scheduled day off shall receive a minimum of four (4) hours work or four (4) hours pay at one and one half (1 ½) times his straight time rate.

23.06 Employees assigned by the Company to work hours other than the normal regularly scheduled shift hours shall receive a shift premium of twelve percent (12%) of his straight time hourly rate in addition to his

regular hourly rate, for all hours worked. The shift premium shall be paid regardless of overtime or any other compensation due but will not be compounded by overtime or other compensation, and remain twelve percent (12%) of the base hourly rate only. No premium payment shall be paid to any employee who requests a work assignment outside of his regular shift.

23.07 Flex Time may be utilized at the option of the employee and approval of the Local Logistics Supervisor (LLFS) an/or his designated supervisor(s) and under the guidelines of the Federal Law governing hours of work (FSLA). In no event will an employee be forced to use Flex Time to prevent the payment of Overtime or premium pay. In no event will an employee be paid overtime in excess of an eight (8) hour day when utilizing Flex Time options.

Article 24 Overtime

24.01 It is recognized and agreed that from time to time overtime work may be necessary, and provided reasonable advance notice is given (except in emergency situations, not later than Friday when the overtime involves Saturday and Sunday work, or not later than the end of the regular shift on the day preceding the day on which overtime involves the extension of a shift) the Company may assign employees to work overtime. Such assignments will be made in a fair and equitable manner, based on the employee's job classification. Paid time off and holidays shall be considered as hours worked in computing overtime.

24.02 An employee not excused by the Company from performing assigned overtime, who refuses to report for such overtime will be subject to appropriate disciplinary action.

24.03 No overtime shall be worked except by the direction of the Local Logistics Supervisor (LLFS) and/or designated Company Supervisor, unless said overtime is part of an employee's regular work shift and/or schedule.

All hours worked on a Saturday shall be paid at one and one half (1 ½) the employee's regular base straight time hourly wage rate.

All hours worked on a Sunday shall be paid at twice the employee's regular base straight time hourly wage rate. This paragraph may be modified by Flex Time and make up time elected at the option of the employee and approved by Local Logistics Supervisor (LLFS) and/or his designated supervisor(s) as noted in Article 23.07.

Article 25

Health and Welfare Insurance

The parties have provided for an insurance program, pension, and savings plan, the provisions of which are covered below. No matter respecting the provisions of the programs and plans shall be subject to the grievance procedure established in this Agreement. The Company shall have the responsibility for administration of the Insurance Program set forth in Article 25.01.

25.01 Effective 6/1/2005 employees will receive the "SGT Standard" medical, dental, prescription drug, and vision benefit levels and employee contribution levels as such may change from time to time.

25.02 SGT shall contribute to the I.A.M. National Pension Fund, National Pension Plan for each hour or portion thereof for which employees in all job classifications covered by this Agreement are entitled to receive pay under this Agreement as follows:

The hourly contribution rate shall be that which is set forth in Appendix "A" of this Agreement.

The Company shall continue contributions based on a forty (40) hour work week while an employee is off work due to paid vacations or paid holidays. The Company shall also make contributions whenever an employee receives severance pay, vacation pay at termination, or vacation pay in lieu of time off.

Contributions for a new, temporary, probationary, part-time and full-time employee are payable from the first day of employment.

The I.A.M. Lodge and the Company adopt and agree to be bound by, and hereby assent to, the Trust Agreement, dated May 1, 1960, as amended, creating the I.A.M. National Pension Fund and the Plan rules adopted by the Trustees of the I.A.M. National Pension Fund in establishing and administering the foregoing Plan pursuant to the said Trust Agreement, as currently in effect and as the Trust and Plan may be amended from time to time.

The parties acknowledge that the Trustees of the I.A.M. National Pension Fund may terminate the participation of the employees and the Company in the Plan if the successor collective bargaining agreement fails to renew the provisions of this pension Article or reduces the Contribution Rate. The parties may increase the Contribution Rate and/or add job classifications or categories of hours for which contributions are payable.

The Company may evaluate, at its option and cost, the annual 5500 report of the National Pension Fund and the most recent actuarial statement that shows the plan's unfunded vested liability for the year.

If at any point during the five (5) year "Free Look" period (January 1, 2004 through January 1, 2009), the Plan has any unfunded vested liability, the Company can, at its option, exercise the right to withdraw under the provisions of the "Free Look" clause. If such option is exercised, the Company will be responsible to assure that year to date contributions are current and no other withdrawal liability payments will be required as determined under Title IV Subtitle E of ERISA.

This Article contains the entire agreement between the parties regarding pensions and retirement under this Plan and any contrary provisions in this Agreement shall be void. No oral or written modification of this Agreement shall be binding upon the Trustees of the I.A.M. National Pension Fund. No grievance procedure, settlement or arbitration decision with respect to the obligation to contribute shall be binding upon the Trustees of the said Pension Fund.

25.03 The Company will allow employees to contribute (by payroll deductions) to the I.A.M. 401(K) plan. The employees will be able to change their contribution percentages no more than once every three (3) months.
