

Clinical Chemistry and Clinical Toxicology Devices Panel Roster

December 6, 2006

<u>Name and Specialty</u>	<u>Affiliation</u>	<u>Role</u>
Bernard W. Steele, M.D. Clinical Chemistry; Toxicology	Jackson Memorial Hospital Miami, FL	Chair
Ann M. Gronowski, Ph.D. Endocrinology; Repro. Physiology	Washington Univ. School of Medicine St. Louis, MO	Voting Member
Alan T. Remaley, M.D., Ph.D. Clinical Pathology; Lipid Chemistry	National Institutes of Health Bethesda, MD	Voting Member
Ruiwen Zhang, M.D., Ph.D. Clinical Pharmacology; Toxicology	The Univ. of Alabama at Birmingham Birmingham, AL	Voting Member
Murray H. Loew, Ph.D. Biomedical & Electrical Engineering	George Washington University Washington, DC	Consumer Representative
Thomas E. Worthy, Ph.D. Lipid Chemistry; Immunoassays	Worthy Consulting Walnut Creek, CA	Industry Representative
*Cindy L. Grines, M.D. Cardiology	William Beaumont Hospital Royal Oak, MI	Consultant
Stanley S. Levinson, Ph.D. Immunochem.; Protein & Lipid Chem.	University of Louisville Louisville, KY	Consultant
Santica M. Marcovina, Ph.D. Lipids & Lipoprotein Metabolism	University of Washington Seattle, WA	Consultant
Robert D. Shamburek, M.D. Lipids & Lipoprotein Metabolism	NHLBI, National Institutes of Health Bethesda, MD	Consultant
Michael Y. Tsai, Ph.D. Lipid Chemistry; Cardiovasc. Disease	University of Minnesota Minneapolis, MN	Consultant
Karol E. Watson, M.D., Ph.D. Cardiology; Internal Medicine	The David Geffen School of Medicine at UCLA Los Angeles, CA	Consultant
William E. Winter, M.D. Clinical Chemistry; Endocrinology	Shands Hospital Gainesville, FL	Consultant

* Dr. Grines is a consultant on the Cardiovascular and Renal Drugs Advisory Committee.
