SUPPORT CONTRACT (MESC)

Introductory Comments for J-6 Government Furnished Property to be Replaced As Contractor Acquired Property (GFP/CAP)

This Attachment lists GFP available on October 1, 2009. Property listed on this attachment is used in the Range Operations Control Center and the Earth Systems Modeling and Data Management Laboratory. The Government expects to retain title to this property throughout the life of the contract.

The listed property is available “as is” to the MESC contractor at no cost. It is anticipated that all property is functional and has additional useful life.

When the listed property requires replacement or if new property is required for those functions, the contractor will be required, with Contracting Officer approval, to purchase the property and invoice the Government as a direct cost on the contract.
