Based on your knowledge on the contract identified above, please provide your assessment of how well the Contractor performed on each of the following questions. It is very important to keep in mind the only performance on contract work performed in the last three years is relevant.

Please rate the Contractor as described below in the following categories. Please include a short narrative as to why you chose the adjective you did, especially for those answers that are other than 'Meets'.

Exceeds (E): Exceeds the established performance requirements to an exceptional degree. Performance is exemplary and accomplished in a timely, efficient, and economical manner. Very minor (if any) deficiencies have no adverse effect on overall performance. Examples include substantial cost underruns due to contractor diligence and cost savings initiatives, technical end products that exceed original customer specifications in critical performance areas, or deliverables usually ahead of contract schedules.

Meets (M): Meets the established performance requirements. Performance is effective and most requirements are met in a timely, efficient, and economical manner. Reportable deficiencies have little identifiable effect on overall performance. Examples include minor or no cost overruns caused by the contractor, technical end products that meet customer specifications, or deliverables usually delivered on time/schedule.

Fails to Meet (F): Fails to meet the established performance requirement. Remedial action is required in one or more areas. Reportable deficiencies in one or more areas adversely affect overall performance. Examples include substantial cost overruns caused by the contractor, technical end products fail to meet customer specifications in critical areas, or deliverables usually delivered behind contract schedules.

N/A: Not applicable or rater has not observed performance in this area.
