Questions and Answers
Pre-solicitation Conference
December 9, 2008

1.   Q: When will the sample task be available?
      A: The sample task will be made available on the business opportunities website
          as soon as possible.

2.   Q: Is MAXIMO software owned by NASA?
      A: No, it is licensed.

3.   Q: Will the library be up before the final RFP is posted?
      A: The library will be accessible when made available. Check the business
          opportunities website for updates.
