

and of such packages and bulk delivery items that are run through the x-ray machine and are discovered to include suspicious materials; 2) vehicle inspection searches at the Center's gates to be carried out as randomly scheduled through the established algorithm and approved by the TOM, as well as 3) ensuring availability for response to emergency and/or unscheduled incidents on Center wherein explosive detection services would be necessary, used, or of assistance. "Emergency" and incident support shall take precedence over routine, random inspections. Teams shall be able to work independent of, but in support of, other uniformed operations described herein, with the ability to direct GSFC-coordinated uniformed operations using these services.

At GFSC, certification and training of explosive detection teams shall be by a nationally recognized K9 training organization or association, which meets or exceeds the following specifications: Dogs shall be certified to at least a 90% "find rate" for black powders, smokeless powders, water gels, primer cords, TNT, RDX, TATP, HMTD, nitrates, and chlorates in buildings, open areas, vehicles (including sedans, vans, trucks, etc.), and baggage (packages, briefcases, purses, and the like).

At GFSC, all training aids shall be provided by the contractor. NASA will provide a building for storage of up to a total of 30 pounds of explosives. If explosives are stored on Center, the contractor shall provide an ATF approved magazine equivalent to the Armag Type 2 Class ABC Interior Storage Magazine.

Additionally, the Contractor shall provide appropriate vehicles/transportation to ensure that the teams can respond to calls and incidents in a timely manner. The contractor shall be completely responsible for any training, care, housing/kenneling, maintenance, and veterinary services/requirements of the animals in order to establish and maintain the level of performance required to maintain their certifications.

#### 5.2.4.5 Criminal Incident Reports/Records

- A. The contractor shall provide complete reports on criminal incidents reported. Maintain records of crime and criminal information in accordance with applicable Federal and NASA regulations. (4.14 for further guidance)

#### 5.2.4.6 Testify in Court/Other Official Hearings

- A. The contractor shall give direct evidence in the form of sworn testimony, to identify legal issues, establish facts, and identify procedures in judicial and non-judicial settings.

#### 5.2.4.7 Evidence Collection & Storage

- A. The contractor shall identify, protect, and retain evidence in criminal and administrative matters to maintain integrity and establish chain of custody.
- B. The contractor shall apply Federal Rules of Evidence to maintain the evidentiary value of items identified as indicative of a crime, items related to the identity of the perpetrator, fruits of the crime, contraband or other items illegally possessed.
