

General Information

Lower Suwannee National Wildlife Refuge contains approximately 53,000 acres along the Suwannee River in Dixie and Levy Counties. More than 100 miles of roads provide either vehicle or foot/bicycle access to many habitat types open to hunting.

The Refuge provides both general hunts and limited (quota) hunts. An application form for limited hunts is included with this regulations sheet.

All general Refuge regulations apply unless specifically addressed in this leaflet. Restrictions and designations on the map in this leaflet also apply. Please note that forest management activities including prescribed burns and logging operations may occur at any time during the year.

Public hunting is permitted in accordance with all State laws, county codes, Title 50 Code of Federal Regulations and the following Refuge regulations:

Permit Requirements

All hunters must possess a refuge hunting permit and a State of Florida hunting license. This brochure, when signed and in your possession, serves as the permit for all 2008-2009 hunts **except** the **limited hunts**. State Management Area stamps *are not* required. Archery, muzzleloader, and turkey stamps *are required* for appropriate hunts. State and Federal waterfowl stamps are required to hunt waterfowl.

Successful hunters are required to report their bag by completing and returning a harvest report card or by calling the Refuge Headquarters at 352/493 0238 within 72 hours of your bag. These reports allow us to better determine population health, numbers, and stability.

Limited Hunt Application Procedures:

The Refuge offers a two day modern gun hunt for deer of either sex and a 7 day limited hog hunt. These hunts require a **Limited Hunt Permit** which is assigned by random computer drawing. Only successful applicants will be notified to submit a \$12.50 fee via money order payable to the U.S. Fish and Wildlife Service to receive their permit. **Limited Hunt Permits** are non-transferable and non-refundable. Groups of no more than five people may apply on one application. Duplicate applications for the same Limited Hunt will disqualify the duplicate name and all others in the party.

The application period is from July 16 - August 31. All permit applications must be postmarked no later than

September 1, 2008. Any remaining unissued permits will be issued in person at the Refuge Headquarters during normal business hours (8 am to 4 pm) on a first come first served basis until 14 days prior to the hunt.

A special, 2 day youth modern gun hunt for deer of either sex is also available for youths age 15 and under. Contact the Refuge at 352/493 0238 ext. 223 for a youth permit.
