

## Issues in the Election of 1828

Read the selected paragraphs from “[The Presidency of John Quincy Adams](http://www.digitalhistory.uh.edu/database/article_display.cfm?HHID=636),” available at [http://www.digitalhistory.uh.edu/database/article\\_display.cfm?HHID=636](http://www.digitalhistory.uh.edu/database/article_display.cfm?HHID=636). The issues listed in the chart below were important to the presidential election campaign of 1828 and to Andrew Jackson’s presidency. Describe each issue and note which region of the country, if any, would tend to be strongly against it.

Issue	Description	Region(s) Strongly Against
A strong federal government		
A high tariff		
Indian policy		
The “American System”
