Mycotoxin
Forum**

Welcome

With great pleasure we present to you the first announcement of

the second **World** *Mycotoxin* **Forum**

to be held 17-18 February 2003, in Noordwijk aan Zee, the Netherlands.

The World Mycotoxin Forum's main objectives are:

- to provide a unique platform for the food and feed industry, regulatory authorities and science
- to exchange information and experiences on the various aspects of mycotoxins
- to review current knowledge related to mycotoxins in food and feed
- to discuss strategies for prevention and control of mycotoxin contamination ensuring the safety of food and feed supply

The members of the Advisory Board and Organising Committee, look forward to welcoming you again to Noordwijk aan Zee, the Netherlands!
