These are the 2009 Rx510 Applied Fire Effects selections. There are two lists – one sorted **alphabetically** and the second sorted by **Geographic Area**.

These lists will be updated as needed. Please check back.

Rx510 Course Information will be available on this website and a hard copy will be mailed by January 16, 2009.

NAFRI hotel and area logistics are available on this web site.

Pre-course work was mailed on December 5, 2008 and is available on this web site.
