

## Contact Us

Contact the Fire, Fuel, and Smoke Science Program

The USFS RMRS Fire, Fuel, and Smoke Science Program (FFS) is located primarily at the Missoula Fire Sciences Laboratory, Missoula, MT. In addition, FFS includes the Rocky Mountain Center.

To contact FFS via US Mail, UPS, FedEx, or Telephone:

Rocky Mountain Research Station  
Missoula Fire Sciences Laboratory  
5775 W US Highway 10  
Missoula, MT 59808-9361  
Phone: 406-829-6957  
Fax: 406-329-4825  
E-mail: [FFS General Information](#)

Rocky Mountain Research Station  
Rocky Mountain Center  
240 W. Prospect Road  
Fort Collins, CO 80526  
Phone: 970-498-1238  
Fax: 970-498-1212

Information on how to contact FFS staff can be found [here](#).

The Missoula Fire Sciences Laboratory is located west of the Missoula International Airport on W. Broadway St. (a.k.a. West US Highway 10) in the Missoula Fire Science & Technology Center (between the Smokejumper Center and the Missoula Technology & Development Center).

A map of the Missoula area, including locations of other USFS facilities, motels, and restaurants can be downloaded [here](#) in PDF format.
