#### Introduction

The materials in The Spivacke Fund (Rose Marie and Harold Spivacke) Collection have been purchased through an endowment fund established by Mrs. Harold Spivacke in 1982 based on the wishes of her husband, who was the chief of the Music Division at the Library of Congress from 1937-1972. The purpose of the fund is to assist the Library in adding to and increasing the collections in the Music Division. The purchases will primarily focus on holograph music manuscripts, printed music, and autograph correspondence which will enhance the existing collections. All purchases of manuscript and printed music will be fully catalogued separately. The correspondence with any accompanying material and photographs, however, will not be separately catalogued. The finding aid will summarize all purchases both catalogued and un-catalogued --- a minimum amount of description for the catalogued music and an itemized listing of the correspondence and other materials. This guide will not include certain sections normally associated with a finding aid, such as a Biographical Sketch, a Scope and Content Note, or a Series Description.

A major purchase made partially through The Spivacke Fund from 1992 to 1995 has been the Charles Mingus Collection. This collection is housed as a separate collection apart from the other purchases made through the fund. The guide and on-line record for the Mingus Collection will indicate that the collection comprises part of The Spivacke Fund Collection.

In 1998, a collection of letters and papers that had been in the hands of Hans Heinsheimer, noted American publisher and writer on music, were purchased from Lion Heart Autographs, Inc., New York City. The 75 items are housed together and identified on the folders as the Hans Heinsheimer Collection; however, the items are not identified in the finding aid under this collection name. Instead, the items have been listed under the prominent name on the correspondence or other papers and filed alphabetically among the names of other prominent musicians/authors from previous purchases.

The Spivacke Fund Collection is separate and distinct from the personal papers of Harold Spivacke which are housed as the Harold Spivacke Collection in the Music Division.

Certain restrictions as to the use or copying of the materials in this collection may apply. Consult a reference librarian in the Music Division for further permission information.
