

So, the next time you see a weather report on TV, have fish for dinner, fly in an airplane or vacation at the beach, think of NOAA. NOAA touches your life in some way, every single day.

Here are a few NOAA Web sites to learn more about NOAA:

http://www.noaa.gov

http://www.education.noaa.gov

http://www.noaawatch.gov

http://www.tas.noaa.gov

http://www.omao.noaa.gov
