

Panther Den

Shawnee National Forest

Mississippi Bluffs Ranger District

2008

Panther Den was designated a wilderness area by Congress in 1990. Of the 1,195 total acres, 1,081 acres are in the Shawnee National Forest with the remaining portion in the Crab Orchard National Wildlife Refuge. The Panther Den received its name from a rock formation known as the Panther Den that is located within the Wilderness area.

Safety

Carrying a map, compass and plenty of water is recommended. Be aware of hunters during hunting season. Poisonous snakes and poison ivy are present in the area. The trail tread may become slick when wet.

Surrounding Area

Devils Kitchen Lake, Little Grassy Lake and Giant City State Park.

Emergencies

The nearest hospital is Carbondale Memorial in Carbondale, IL. The nearest public phone is in Giant City State Park.
